Sir:

In the Information Disclosure Statement filed on December 31, 2008, applicants submitted copies of a number of documents, including JP 47-013221 and JP 46-00673. Applicants believe the copies of these two documents that were submitted are incomplete. Accordingly, applicants now enclose complete copies of these documents.

Applicants further note that the present specification at pages 2 and 5 refers to JP 46-00673 as being a "Kokai" publication, but it is a "Kokoku" publication. Applicants are concurrently filing herewith an Amendment to amend the specification to correct the identification of this document.
